

Introduction

Formed in 2005 Contract Services has become one of Ireland's largest installation and maintenance companies, providing a full range of building services.

We are a dedicated team of specialists, with offices in both Belfast and Dublin, delivering maintenance services across Ireland and installation and fit-out projects across the UK and Ireland.

Our company ethos is to make your life simpler, by managing your installation and maintenance requirements, a service that we are proud of and hope that you will find indispensable.

Contract Services are committed to delivering successful projects, on time, within budget and exceeding your expectations.
