

Crossrail, London.

Appointed by Balfour Beatty Workplace; Contract Services Design Studio carried out a complete site survey and provided design layouts, interior design schemes and furniture proposals for Crossrail's new project offices in Liverpool Street to ensure that the final furniture solution suited their needs operationally and aesthetically.

Contract Services worked in accordance with Crossrail's operational needs and timescales for the delivery and installation of furniture solutions for the Ground, First, Second and Third floor offices at Liverpool Street, London. Services included:

- Interior Design
- Colour schemes & Finishes
- Move Management
- Furniture Supply & Installation
- Storage Solutions
- Graphic Works
- Project Management

The result provides a modern office space, offering a bright spacious open plan office and good meeting and breakout facilities.
